

Alliance Française

Nairobi

A background image of a business meeting in a modern office. Three people are seated around a conference table. A woman in a white blouse is in the foreground, facing away from the camera. Two men in suits are seated across from her, looking at documents. The room has large windows with blinds, and the overall atmosphere is professional and bright.

WHO WE ARE?

SINCE 1949
70 yrs in the service of intercultural dialogue

The Alliance Française is a language and cultural relations organization. It was created in 1883 in Paris by renowned humanists, including Louis Pasteur and Jules Verne, with the principal objective of promoting and teaching the French language around the world.

Since then, it has developed into a global network of the Alliance Française institutions operating in 135 countries around the world, with the common aim of fostering friendship between peoples, through the promotion of the French language and cultural diversity.

The Alliance Française de Nairobi was founded in **1949**. It has grown into one of the largest in Africa offering French language courses to thousands of students annually. It is the only accredited institution in Kenya for international and professional French language certification. It is also the only officially recognized institution in Kenya for certified translations. The institution offers a rich program of annual activities showcasing local and international Arts and encouraging creativity.

There are currently **1016** Alliance Française institutions established in **135** countries, spread over **5** continents, Alliance Française is the world's leading cultural network.

Each year, more than **3000** students choose to learn French with Alliance Française of Nairobi. Our clients also include multinationals, international organizations and diplomatic missions for tailor-made French language classes.

French Language skills

The Alliance Française is uniquely placed to offer you French language training that provides added value: flexibility, latest teaching methods, tailor-made tuition with highly trained teachers, certifications and recognized excellence.

Our range of French courses is adapted to your needs. At our premises, at yours or online, we offer one-to-one or group courses for General French, Business French, French for Finance, French for International Relations, French for Tourism and more, in line with your institution's specific objectives. From complete beginner to expert, this program is open to companies, local and international organizations as well as private students.

other services offered

Exams

All our training programs are based on the **Common European Framework of Reference for languages** and prepare the learners for official exams; DELF/DALF (General French Diploma) awarded by French Ministry of Education or DFP (Business French Diploma) awarded by Chamber of Commerce and Industry of Paris.

Translation & Interpretation services

The Alliance Française offers matchless expertise in certified translations for official documents and in specialized translations. It is also a leader in reliable onsite interpretation services in diverse fields including business, legal, medical, educational or conference.

Studio services Subtitling & Voice Over

The Alliance Française de Nairobi has developed a specialized multimedia translations service for accurate and cost-effective translation and interpretation services in English and French.

In addition, a fully equipped recording studio is available for translation, localization and post production of institutional content (dubbing, subtitling, voiceovers).
